MHC Welcomes New Doctors

Oh what do I hear? A party for whom you may ask? We are welcoming our three new Doctors to our Facility. Dr. Nathan Schandavel, Dr. Franchesca Schandavel, and Dr. Mirza Ahmad were greeted by staff and community members over cookies and refreshments.

If you see them in the hallway or around town say a quick hello and welcome them to MHC.

Let's Talk About It

Judy Smith Retires After 54 years in The Nursing Field.

Judy graduated from Wesley School of Nursing in June 1964. She came back to Meade and worked for Dr. Orrison for 1 year until his unexpected death. She then taught at DCCC for 1 year to fill in for another instructor. After this year she started working for Dr. Donahoe in Meade and at that time he sent her to WSU to become a nurse practitioner and she graduated in 1977 and worked in that capacity for 8 years. Dr. Donahoe moved away and Judy then worked as Director of Nursing at the Meade Hospital. Judy started working at the Minneola Hospital in 1999 to date. When she retires, Judy plans on spending more time with family. She has a son and family who live in Wyoming and a daughter and family who live in Liberal, Ks. Judy has 2 granddaughters and 2 grandsons and 2 great grandsons.

Minneola Healthcare's mission is to deliver personalized, patient centered care in an atmosphere that promotes the healing process and enhances the quality of life for the communities we serve.

The new transportation van has arrived. Those who will be driving the van had a tour and were given instructions on the use of various items in the van. The drivers then took a ride to get used to the feel of driving the new van. The van has large windows and more comfortable seating. It will be wonderful to be able to take the residents for drives and especially on long trips for doctors' appointments.
