

Mark Your Calendars!

Minneola Healthcare is hosting our FREE 3rd Annual Women's Health Banquet on Wednesday, October 2nd. This is a fun, informative event available for women age 18 and up. Don't miss out on some good information, yummy food, free giveaways, and door prizes! RSVP by calling the hospital or Minneola Clinic. Hope to see you there!

United Radiology is a company that comes to Minneola Healthcare five times a year to provide Mammogram and Bone Density (DEXA Scan) services to patients. As of October of 2018, they have upgraded their bus and equipment and are now providing 3D Mammogram. To get scheduled for one of these exams you can call the hospital at 620-885-4264 and ask to speak with the Radiology department.

NEW HIRES

Diana Godfrey, Materials Manager
Aracely Del Real, Hospital RN
Melia Granados, LTC C.N.A
Nikki Thornburg, HIM Clerk

Caring for You and Your Family Provider Profile

Lauren Amy is our featured provider for the month of September. Lauren has been with our facility for six years. She is 33 and recently married. She has two cats and one dog. Lauren is originally from Wichita, but came here for one of her PA school rotations. While she was here she really enjoyed her training and was offered a full time job. Lauren chose our facility because she is always learning new things and our providers are excellent teachers and colleagues. Lauren is accepting new patients and is a vital part of the Minneola Healthcare team.

If you are interested in scheduling an appointment with Lauren Amy, please call the Minneola Clinic at 620-885-4202.

Let's Talk About It!

Minneola Healthcare participated in the National Give Something Away Day that is celebrated annually on July 15th. School items were gathered from employees July 1st through July 19th by the Service Excellence Ambassadors. The amount of supplies we collected well exceeded our expectations!!! The supplies were delivered to the school on July 31st, so that they were available during enrollment on August 6th. You never know how a small act of kindness can make all the difference in someone's life. Giving is caring.

September 2019

LTCU BBQ

Hot dogs with all the fixings were served on the gazebo on August 9, 2019 to raise money for the residents' Christmas. The money will be used for the family Christmas party as well as decorations. Residents will be receiving presents along with a Santa visit. On Christmas day, the residents will have a filled stocking on their breakfast table. Thank you to all who donated, so the residents can have a great Christmas.

On August 13, 2019 we found some of our ladies with sticky fingers. Can you guess why from the pictures? They made slime, with the help of Crystal and Bonnie to help exercise their fingers.

Employee Spotlight

The employee has been chosen by random selection.

This month went by really fast! It's already time for an employee to be in our spotlight and that employee is Jenna Payne!

Jenna is a Registered Nurse in our hospital nursing department. She is a floor nurse, as well as an ER, pre-op, and post-op nurse. She has worked for MHC for about twelve and a half years! What she enjoys most about her job are the people. She loves interacting with patients and seeing them get back to good health. Jenna has lived in the Dodge City area since 2002. She has six brothers and sisters! She is married to Travis and has two step-daughters named Ally and Lauryn. I would also never forget to mention her three incredibly cute dogs. She is very passionate about dogs, and says that if she had not become a nurse, she would be running a dog rescue facility. When Jenna isn't working she loves to travel.

Please be sure to stop and say hello to her, wish her a fantastic day, and thank her for everything she does!

Summer Olympics

The Grammy's hosted the 2019 Summer Olympics right outside the hospital entrance. Despite the heat, employees joined in on some fun in the sun while getting some refreshments as a reward. There were only two winners who mastered the Summer Olympics and they were Don Lynn and Cody Smith.
