Employee Spotlight

Employee Costume Contest

The employee has been chosen by random selection.

This month's employee spotlight shines on Sarah Wilczek! Sarah has been working for Minneola Healthcare for about 2 years and is a clinic receptionist/supervisor. She also assists the Marketing Department in graphic design. She grew up in Minneola, and currently resides here with her mom and two of her sisters. She also has an adorable miniature Australian Shepard named Pooka! Her hobbies outside of work include photography, art design, writing songs, playing/singing music, and has an online clothing shop. Her favorite thing about working at MHC is getting to know the patients and the many conversations she gets to have with them, and the people she gets to work with. Be sure to stop by the clinic and tell her thank you for all she does for us!

On Friday October 30th, Minneola Healthcare employees participated in a Halloween Costume Contest. The individual winners are (pictured left to right) Kayla LaBelle as Anna from the movie Frozen, Jessica Shenk as Batgirl, and James Eaton as "2020". The winner for the group contest was the Radiology Staff dressed as the Sanderson sisters from the movie Hocus Pocus. Pictured Left to Right: Chelsey Crump, Jordyn Cure, and Ashley Boyd.
