

We are excited about what 2021 has to offer for MHC!

Amanda Stefan, Clinic Nurse (pictured on the right) is excited to have two interpreters: Maria Diaz (pictured on the left) and Gloria Vargas (not pictured) who will help facilitate communication with patients in the clinic and throughout the facility as needed.

Jessica Shenk, Financial Counselor, is excited to be helping patients with Presumptive Eligibility for Medicaid.

LTC Has New Furniture!

Residents and Staff at the Long Term Care are excited about their new furniture.

Let's Talk About It!

The United Radiology Mobile 3D Mammography and DEXA coach comes to Minneola Healthcare about 5 times a year.

They will be here on Monday, February 1st and again in April for the 2021 Spring Health Fair!

Call Minneola Healthcare's Radiology Department at 620-885-4264, and they will gladly assist you in getting scheduled for a Mammogram or DEXA (bone density scan).

NEW HIRES

- ✦ *Thomas Quinones, Dietary*
- ✦ *Taylor Hays, Hospital Nursing*
- ✦ *Brooke Kerschen, Scrub Tech*

212 Main Street

LTC Resident Christmas Event

Employee Spotlight

What our Physical Therapy Team can do for you!

This year was a little different from the past, but with lots of planning we made it a wonderful safe celebration for our residents. Each resident was able to join Santa by the Christmas tree in the lobby and open their presents. Residents' families were contacted and able to join us via tablet or iPad. Even though the holidays were not normal this year, we were still able to find the joy of Christmas spirit through the residents' eyes!

The employee has been chosen by random selection.

This month's employee spotlight shines on Karie Moon! Karie has worked for Minneola Healthcare since 2004. She currently devotes half of her time as an Office Aid/Receptionist in Physical Therapy and the other half of her time in the clinic helping in Medical Records and as a back-up receptionist. She moved from Dodge City to Minneola in July of 1986, which was just in time for her oldest child to start Kindergarten! She has three children; Wayne, who resides in Dodge City, Bill, who resides in Pittsburgh, PA with his fiancée Mary, and Wilbur, who resides in Kansas City, KS. Her favorite thing about working for Minneola Healthcare is that her fellow co-workers have become a second family to her. Her job also gives her the opportunity to stay connected with our community, people, and events.

Thank you, Karie, for all that you do for MHC!

The Physical Therapy Department at Mineola Healthcare works together to develop an individualized plan to improve overall functional mobility to improve your quality of life!
