

St. Patrick's Day Scavenger Hunt

The SEC Team put on a St. Patrick's Day Scavenger Hunt where employees had to find 7 clues to reach the "pot of gold". On March 17th, St. Patrick's Day, Marlene Nevin was the lucky one who found the "pot of gold".
Congrats Marlene!

MHC's New ER Alleyway

Minneola Healthcare's ER Alley has been renovated and is now in full service. Our ER, Sick Clinic, and COVID Booth all utilize this alley.

Let's Talk About It!

Thank you to the outstanding work of WK Construction, LLC from Meade for doing the Negative Pressure Room and the ER Alley way.

This month's employee spotlight shines on Marla Zimmerman! Marla is the HIM Director and HIPAA Privacy Officer for Minneola Healthcare. She has been in this position since 2007, and prior to that she worked for about 10 years as an LPN with us! Marla currently resides on a farm outside of Mullinville with her husband Brad. They have three children, Lance, Loren, and Lynette, and six grandchildren! In Marla's spare time she enjoys helping on the farm, being a Pastor's wife, and caring for her mother.

Her favorite thing about working at Minneola Healthcare has been the homestyle culture and how her fellow employees have become family.

After working in healthcare for 45 years, she has made the decision to retire as of March 31, 2021! We wish her all the best!

On February 12th, associates at Minneola Healthcare participated in a fun activity they called a "Share the Love Chill-off." There was a homemade ice cream contest in which the winner was awarded a Date Night basket. For associates to be able to taste the ice cream and judge the winner, they were asked to "share the love" by bringing a non-perishable food item to be donated to the food pantry. There were several amazing ice cream flavors, but Yvette Ediger from the lab won with her Butterfinger Ice Cream. Everyone enjoyed the yummy ice cream and the opportunity to give back to the community!
